KIRBY 27314 (1262683):

Your Vessel Response Plan (Control Number 13322) submitted to meet the requirements of Title 33, Code of Federal Regulations (CFR), Part 155, Subparts D, is **approved**. Approval will remain valid until **February 18, 2028**.

The KIRBY 27314 is authorized to operate only in the ports or geographic areas indicated in the Captain of the Port zones listed below. The vessel is prohibited from handling, storing, transporting, transferring, or lightering oil unless it is operating in full compliance with this plan. Compliance includes ensuring that required resources have been identified and planned for or are in place and available through contract or other approved means. The vessel must keep a copy of this approval letter onboard in addition to the minimum sections of the plan as required by 33 CFR 155.1030.

In accordance with 33 CFR 155.1070, you are required to review your plan annually and submit plan amendments for approval. As per 33 CFR 155.1070(b), the entire plan must be resubmitted for a comprehensive review and approval six (6) months prior to the expiration date.
