Subj: KIRBY CORPORATION VESSELS  
ALTERNATIVE SECURITY PROGRAM ACKNOWLEDGEMENT

Ref: (a) Title 33 Code of Federal Regulations (CFR) Part 104  
(b) Your correspondence dated July 20, 2021

Dear Captain Nutt:

This letter acknowledges your addendum to your Alternative Security Program (ASP) certification letter submitted to satisfy the requirements of reference (a). We accept your certification that the vessels listed in reference (b) will be operating under the Coast Guard approved ASP developed by the American Waterways Operators (AWO). The list of addendums covered by this letter is attached as enclosure (1). The list of vessels covered by this letter is attached as enclosure (2). This ASP acknowledgement will remain valid as long as the AWO ASP remains valid.

You are reminded that it is your responsibility to ensure the ASP is implemented in its entirety including any approved revisions or amendments thereto. The ASP must be appropriate for the type/service of your vessels in accordance with reference (a), and may not be used for a vessel subject to the International Convention for Safety of Life at Sea 1974 (SOLAS). If you cannot or do not wish to comply with the requirements of the ASP, you must submit a complete Vessel Security Plan in accordance with reference (a). Failure to fully comply with the requirements contained in 33 CFR 104.140 and the approved Alternative Security Program may result in punitive action.

Please ensure that a copy of the ASP is maintained on board the vessel(s) if manned, or, if unmanned, at a suitable secure location so that it is readily available during an emergency or security incident. In addition, you shall make available to the Coast Guard, upon request, any information related to implementation of an approved ASP. Our Case Number for this plan is 330135. Please ensure that all future correspondence includes this Case Number.

Sincerely,

S. M. ARBEITER  
Lieutenant, U.S. Coast Guard  
Chief, Vessel Security Division  
By direction
